Test series 50 pairs
1,000 pairs
1,500 pairs
2,500 pairs
5,000 pairs

Step 7 Positioning of logo

Step 5 Size of logo

You can determine the size of the print by specifying the desired width of the logo (text direction from left to right). The height will be automatically adjusted in proportion to the width you have selected.

Logo width (mm)	
-----------------	--

Step 8 Technical instructions

To be able to design the layout of the logo, we would like to receive the logo in one of the following file formats:
.ai or .eps
